SUN 'n FUN and the Aerospace Center for Excellence are deeply concerned about the developing crisis with COVID-19 and understand our responsibility to help in the fight against the spread of the disease. Our first priority is always the health, safety, and well-being of our patrons, partners, staff and volunteers. With the full support of Polk County, the City of Lakeland, Lakeland Linder International Airport, and the FAA, at this time we are planning to postpone the 2020 SUN 'n FUN Aerospace Expo until May 5-10. We appreciate the unwavering support of our airport, our community and our airshow family, and we hope everyone will make plans to join us here this May. Please visit www.flysnf.org for updated information as it becomes available and follow us on social media.
